December 2016

## Studio Holiday Parties

## Bad Weather Closings

In case of bad weather—use your judgment; you know your local conditions best. Determine if the roads are safe to travel. If the studio is open but you are unable to travel, please call the studio and let us know your child will be missing dance that evening.

Listen to KCUE/KWNG or KLCH radio for studio closings. The studio answering machine, the Fusion Dance Facebook page and Twitter will also include a message on the status of studio closings.
